### \*Strategic Coaching on Town Planning

We have a passion to create better futures for our youths and this translates to an educative journey on developing greener cities. What new eco town planning solutions could you come up with your team and how do you incorporate this suitably into the system? An interactive and fun learning workshop that involves students in full analysis of town planning, brainstorming sessions, role play, immediate feedback on their proposal, oral presentation coaching and more.

**\$550 per school – 6 hours**

### \*\* Study Trip – Singapore as a Living Lab for urban solutions

This compact program offers an overview of City Planning. Fundamentals of planning a town are integrated into this 6-Day/ 5-Night program.

**USD 1099 per person**

### \*\*\* Study Trip – Yangon Heritage Tour

A comprehensive journey to visit some culture heritage sites listed under National Heritage Trust, monuments, churches, temples, Shwedagon Pagoda, colonial buildings, City Hall, Chinatown, Bagyoke Market, Kareweik Palace. This trip will have guest speakers to address some of the challenges the city is facing under the current development.
